S. No	Key Activities	Date
1.	Floating of Bid Document at http://kppp.karnataka.gov.in	**15.00 Hrs., on 29th August 2026**
2.	Last date for submission of Bid document online at http://kppp.karnataka.gov.in	**16:30 Hrs., on 28th September 2026**
3.	Date of opening the Technical Bid	**10:30 Hrs., on 30th September 2026**
4.	Date of opening of Financial Bid	**11:00 Hrs., on 3rd October 2026**

The Department of Information and Public Relations will adhere to the above schedule. In case of any extension in any date by Department of Information and Public Relations revised schedule will be communicated by Department of Information and Public Relations to all bidders.

Tender Processing Fee & EMD

The bid document is available online at http://www.karnataka.gov.in. All eligible bidders can register and participate in the bidding process.

Each bidder should pay a processing fee & EMD of Rs. 60,000/- (Rs. Sixty Thousand only) through any of the five e-payment options given below:

1. Credit Card
2. Direct Debit
3: National Electronic Funds Transfer (NEFT)
4: Over the Counter (OTC) – designated ICICI bank branches located across the country
5: NET Banking. Please note that payments made through cheque or demand draft will not be accepted. Further details regarding e-payment; please refer to e-procurement website– http://kppp.eproc.karnataka.gov.in

Bidders must ensure that the credit of Earnest Money Deposit (EMD) is credited to the respective account on or before the last date of receipt of tender. It is advisable to submit EMD well before the deadline and obtain confirmation from bank.

Only bidder who has successfully deposited the EMD will be allowed to submit their bid online.

EMD of the successful bidders will be returned only after they furnish Performance security of 5% of the contract amount in the form of Bank Guarantee from a nationalised/scheduled Bank as specified in the contract.

EMD of unsuccessful bidders will be refunded within 15 days of after the completion of the final bid evaluation. No interest will be paid on EMD.

The EMD may be forfeited wholly or partly, at the discretion of the Commissioner, Department of Information and Public Relations, for the reason including:

(a) The Bidder withdraws their Bid during the validity specified in the bid letter.

(b) Bidder does not respond to requests for clarification.

(c) Bidder fails to co-operate during the Bid evaluation process;

(d) In case of a successful bidder, failure to accept the contract; and

(e) submission of false information or fraudulent documents in the bid.

I: Project Overview and Objectives:

Objectives:

The primary objective is to acquire a comprehensive Advertisement Monitoring Tool that will enable DIPR to:

- Manage advertising campaigns end-to-end, including approvals, scheduling, budgeting, and validations.
- Maintain a centralized asset inventory for print, digital, and outdoor media, with geotagging and version control.
- Provide proof-of-display (PoD) verification mechanisms, including image/video capture, timestamping and optional third-party verification.
- Generate automated compliance and KPI reports, dashboards and audit trails for government review.
- Support mobile and web access with role-based access control, secure authentication, and data protection in line with applicable laws and rules /policies.

Scope:

The successful bidder shall deliver the platform as a hosted web application and companion mobile application (Android and iOS or progressive web app) including:

- Requirement analysis, system design, UI/UX design, and a working prototype.
- Full-stack development, integration with existing DIPR systems (if required), secure APIs and database implementation.
- Testing (unit, integration, system, user acceptance testing), documentation, training, and knowledge transfer.
- Deployment, hosting (if applicable) or handover for Government hosting, along with minimum maintenance and support period.
- Compliance with accessibility standards (WCAG 2.1 Level AA preferred) and security best practices.

II: Technical Requirements and Deliverables

The bidder shall design, develop, and deliver the following core functional modules, each documented with functional and technical specifications.

- **Campaign Management**: Campaign creation of campaign and workflow management, approvals, scheduling, budget tracking, vendor assignments and version control.
- **Asset Inventory**: Centralized repository for creative assets with metadata, versioning, geotagging for outdoor assets and search/filter capabilities.
- **Proof-of-Display** (PoD): Capture and upload of images/videos with timestamps, GPS coordinates, and device metadata; batch upload and manual verification workflows; support for third-party verification services.
- **Reporting & Analytics**: Dashboards for campaign KPIs, channel-wise spends, compliance reports, audit logs, exportable reports (PDF/CSV), scheduled reports, and role-based views.
- **User & Access Management**: Role-Based Access Control (RBAC), single sign-on (SSO) integration (if requested), multi-factor authentication support and audit trails.
- **APIs & Integrations**: Secure RESTful APIs for data exchange, integration with existing DIPR systems and provisions for third-party analytics.
- **Mobile Application**: Secure mobile app for field personnel to capture PoD, manage checklists and access assigned tasks; offline capabilities with synchronisation when online.
- **Testing & Quality Assurance**: Test plans, test cases, defect tracking, support for beta and UAT testing, and sign-off process.
- **Documentation & Training**: System architecture documents, user manuals, administrator guides, training sessions for DIPR staff, and knowledge transfer.
- **Security & Compliance**: Implementation of secure coding practices, OWASP top 10 mitigations, encryption at rest and in transit, data retention policies, role-wise access logs, and compliance with applicable Government security guidelines.

III: General Terms & Conditions:

1: The bidder shall be a registered legal entity (Proprietorship, Partnership, LLP, Private Limited Company, or Public Limited Company) and must provide proof of registration/constitution.

2: To qualify for award of this contract, each bidder must have achieved certain financial and technical criteria in the last two years i.e., 2024-25 to 2025-2026 ;

2.1: The bidder should have achieved in at least two financial years an average annual financial turnover of **Rs. 60 lakhs** (Rs. Sixty Lakhs Only) Audited financial statements for these years must be submit.

2.2: The bidder shall have experience and capability in delivering software solutions in the following areas :

- Software architecture and design,
- UI/UX design,
- Web and mobile development,
- Database architecture,
- Software testing/QA, and project management.

In this reg the bidder should bidder should have submit the satisfactorily carried out similar work at a cost of **Rs. 20 lakhs**. (Rs. Twenty Lakhs only). Documentary evidence (project descriptions, client references) should be attached. Mere work order issued shall not be treated as an experience certificate.

3: The bidder must provide at least one Work Completion Certificate (WCC) for a relevant project (online application, workflow management system, monitoring platform, e-Governance solution, mobile or web application) with a minimum project value of **Rs. 20.00** Lakhs under a single contract. The Bidders should submit the Work done / completion certificate.

4: Submit duly certified copies of PAN card & GST Registration Certificates. Also copies of GST returns for the financial years 2023-24, 2024- 25 & 2025-26.

5: Submit duly certified copy of Income tax returns for the financial years 2023-24, 2024- 25 & 2025-26.

6: The bidder shall present a prototype, proof-of-concept or an existing solution during the technical evaluation to demonstrate capability to implementing the major modules described in this RFP.

7: The bidder should maintain adequate in-house technical resources and may not sub-license or assign the contract without prior written permission from DIPR. Sub-contracting, where expressly permitted by DIPR, does not relieve the prime contractor of responsibility.

8: **Mandatory Delivery Timeline**: The end-to-end project (from work order acceptance to production readiness) shall be completed within 18 weeks, unless otherwise amended by DIPR in writing.

- Phase 1 (Weeks 1–3): Requirement finalization and prototype delivery.
- Phase 2 (Weeks 4–10): Development of core modules and integration.
- Phase 3 (Weeks 11–14): System testing, bug fixes, and UAT.
- Phase 4 (Weeks 15–16): Deployment to production (or handover for Government hosting) and training.
- Phase 5 (Weeks 17–18): Post-deployment support and stabilization.

9: The selected bidder shall maintain confidentiality of all DIPR data and information and shall execute a Non-Disclosure Agreement (NDA) as part of the contract.

10: Delays beyond the agreed timelines will attract liquidated damages, calculated as per the contract and in accordance with KTPP Act provisions and applicable Government orders. DIPR reserves the right to recover damages, apply penalties, or terminate the contract for prolonged delays.

11: **Intellectual Property Rights (IPR)**: Unless otherwise agreed in the contract, DIPR shall own the deliverables and associated IPR. Any third-party licensed components must be declared and valid licenses procured for Government use.

11.1: Data Ownership and Sovereignty: All data produced, collected, or processed by the Platform in relation to DIPR activities shall be owned by DIPR. Hosting and data residency requirements will be agreed upon in the contract (Government hosting preferred where required).

11.2: Audit and Inspection: DIPR reserves the right to audit systems, processes and records relevant to the contract during and after the contract period.

11.3: Accessibility and Inclusivity: The Platform is expected to conform to accessibility standards and support multilingual user interfaces as required by DIPR.

12: **Termination**: DIPR may terminate the contract for material breach, insolvency, delay or statutory violations as per the contract terms and KTPP provisions.

Sample contract clauses on termination, dispute resolution, IP assignment, confidentiality, SLA, and indemnity will be included in the draft work order. Bidders should review these clauses; any deviation must be explicitly stated in the commercial proposal and will be considered at DIPR's discretion.

13: The accepted Tender Rates hold a good for one year from the date of issue of **Notice to Proceed with the work.**

14: The bidder must not be blacklisted, debarred, or suspended by any Central or State Government agency, PSU, statutory body, or local authority. A statutory declaration in the prescribed format **(Annexure-III)** must be submitted.

15: The right to accept or reject or postpone or change the tender without citing any reasons and to take final decision vests with Commissioner, Department of Information & Public Relations

IV: Payment Terms

The commercial proposal should clearly quote **in lump sum rates only**.

(Bidder should refer the Annexure-II for details & quote the lumpsum rates for the project including all the costs, applicable taxes & GST)

No advance payment will be made to the successful bidder. Action will be taken to pay the bill amount after completion of the requested in the tender and submits the bill.

V: Performance Guarantee and Service Level Agreements (SLAs)

The selected bidder shall commit to SLAs regarding system availability, response times, defect resolution timelines, and support mechanisms. Typical SLA metrics include:

- **System Availability**:99.5% uptime (excluding scheduled maintenance).
- Critical Bug Fix: Response within 4 hours and resolution as per agreed timelines.
- **High Priority Issues**: Response within 8 business hours.
- **Medium/Low Priority Issues:** Response within 2 business days and 5 business days respectively.

Penalties for non-performance shall be applied as per the contract. Details will be finalized in the work order and must align with KTPP rules and Government guidelines.

Note:

1: This procurement shall be governed by and comply with the Karnataka Transparency in Public Procurement (KTPP) Act, 1999 and KTPP Rules, 2016. Where applicable, DIPR will follow procedures, transparency provisions, and penalties prescribed under KTPP. In the event of any inconsistency between the RFP and KTPP provisions, the KTPP Act and Rules shall prevail.

2: Where ever conditions not covered under this document, the following rules will be covered.
   a) KTPP Act and Rules
   b) KPWD Code / A Code and other rules and circulars issued by government time to time.

3: Bids opening, evaluation, processing and determining will be carried out as per the instruction given in Standard tender documents for Procurement of Works issued by Finance Department and related Government Orders of State Government.

PART-II

ARTICLE – 1:- BIDDING DOCUMENTS

The Bid shall be submitted for the complete scope of work as envisaged in these tender documents. The bids for partial scope of work or with additional conditions / deviations / additions / alterations / omissions shall be outrightly rejected without assigning any reasons thereof.

The Bid shall be submitted as per the format provided in the Tender. The complete bid document shall be bound and each page of the bid should be numbered in chronological order and signed by the bidder as acceptance of all the terms and conditions of the bid.

ARTICLE – 2:- AMENDMENT OF BIDDING DOCUMENTS

At any time prior to the deadline for submission of bids, the Commissioner, Department of Information and Public Relations for any reason, whether at the own initiative or in response to the clarifications requested by prospective bidders., may modify the bidding document by amendment, In order to allow prospective Bidders a reasonable time to take the amendment into account in preparing their bids. The Commissioner, Department of Information and Public Relations at his/her discretion may extend the deadline for the submission of bids.

ARTICLE – 3:- COST OF BIDDING

The bidder shall bear all costs associated with the preparation and submission of the Bid and the Commissioner, Department of Information and Public Relations will not be responsible for these costs, regardless of the conduct or outcome of the bidding process.

ARTICLE – 4:- FRAUDULENT & CORRUPT PRACTICS

Fraudulent practice means a misrepresentation of facts in order to influence a procurement process of the execution of a Contract and includes collusive practice among Bidders (prior to or after Bid submission) designed to establish bid prices at artificial uncompetitive levels and to deprive the Commissioner, Department of Information and Public Relations the benefits of free and open competition.

ARTICLE – 5:- BID PRICE

Based on the justification by the bidder, if the Commissioner, Department of Information and Public Relations feels that the price is unrealistic/ infeasible in order to execute a project of this nature, **DIPR** reserves the right to reject the said Bid.

ARTICLE – 6:- Bidder Evaluation Criteria:

6.1 General

Evaluators of Technical Proposals shall have no access to the Financial Proposals until the technical evaluation, including its approval by competent authority is obtained

6.2 Evaluation of Technical Proposals

The evaluation committee setup by the department as a whole and each of its members individually evaluates the proposals on the basis of their responsiveness to the Terms of Reference, applying the evaluation criteria, sub-criteria (typically not more than three per criteria) and point system specified in tender conditions. Each responsive proposal will be given a technical score. A proposal shall be rejected at this stage if it does not respond to important aspects of the Terms of Reference, or if it does not meet the minimum eligibility criteria, or if it fails to achieve the minimum technical score indicated in the tender document.

Technical Evaluation Criteria (Indicative):

- Compliance to technical specifications and functional requirements.
- Quality of prototype, UI/UX, system architecture, and security posture.
- Project team expertise, proposed delivery approach, test plans, and timelines.
- Relevant project experience and client references (including WCC).
- Support and maintenance proposal (SLA commitments).

Commercial bids of technically qualified bidders will be opened on the scheduled date. The commercial evaluation will consider total cost of ownership (development, deployment, licensing, hosting if applicable, and support), payment milestones, and compliance with financial terms outlined in this RFP.

ARTICLE – 7:-

DIPR defines corrupt, fraudulent, collusive, coercive and obstructive practices as described below and shall reject or debar bidders engaging in such acts. Examples include offering bribes, collusive bidding, falsifying documents, or improperly influencing DIPR staff.

Bidders found to have engaged in fraudulent or corrupt practices shall be subject to actions including bid rejection, forfeiture of EMD, blacklisting and legal proceedings in accordance with the KTPP Act, 1999, KTPP Rules, 2016 and other applicable laws.

ARTICLE – 8 :- PERIOD OF VALIDITY OF BID

Rate mentioned in the bid shall remain valid for the period up to one year from the date of work order issued. In exceptional circumstances, the commissioner may solicit Bidder's consent to an extension of the period of validity. The request and the responses there shall be made in writing. The EMD shall also be appropriately extended. A Bidder granting the request is neither required nor permitted to modify the Bid.

ARTICLE – 9:- UPLOADING THE DOCUMENTS

Bidder should upload all the supporting documents for their bids in e-Procurement website- https://kppp.karnataka.gov.in. only.

Note: In case of Financial Bid, EMD or Technical Bid & other documents submitted in a sealed cover or by any other method or mode will not be accepted.

ARTICLE 10:- DIPR RESERVES THE RIGHT TO ACCEPT ANY BID AND REJECT ANY OR ALL BIDS

The Commissioner. DIPR reserves all rights to accept or reject any bid or all bids. And also to have the right to accept or reject or postpone or close the tender without citing any reasons and the right to take final decision rests with the Commissioner, Department of Information and Public Relations, Bengaluru.

ARTICLE 11:- PERFORMANCE GUARANTEE

The Successful bidder should submit (5% of the bidding rate) performance guarantee within FIVE days of receipt of **Letter of Acceptance**. The performance guarantee can be in the form of bank guarantee issued by any Nationalized Bank. If the successful Bidder fails to remit the performance guarantee the EMD remitted by him will be forfeited by the Commissioner, Department of Information and Public Relations and his bid will be held void.

EMD amount of the successful bidders will be returned only after obtaining 5% of Performance Security Deposit in the form of Bank guarantee/Bank DD/ from nationalized or scheduled bank drawn in favour *of* ***"The Commissioner, Department of Information & Public Relations,*** **Bengaluru"** within five days from the receipt of letter of assignment.

The Performance Security Deposit will remain with DIPR till the contract period is completed. The performance Guarantee of the successful Bidder shall be refunded within six days after satisfaction of **DIPR** for execution of the project / settlement of disputes, if any.

ARTICLE 12:- PENALTY

If there is any technical or other problems it should be resolved out immediately. Failure to do so will grant the department the right to deduct Rs. 1000/- per day as a penalty.

ARTICLE 13:- ACCEPTANCE AND QUALITY CHECK

Department of Information & Public Relations reserves the right to evolve a procedure for quality check to ensure that the services provided by the bidder are according to prescribed specification given at the scope of work.

ARTICLE – 14:- BIDDER'S OBLIGATIONS

14.1: The bidder shall provide all assistance to officials of Department of Information and Public Relations as and when required.

14.2: The Bidder shall provide to Department of Information and Public Relations, reports on a regular basis in consultation with local Departmental authority.

ARTICLE 15:- TERMINATION OF THE CONTRACT

The Commissioner, DI&PR will has the right to cancel the contract if the Bidder breaches any or all conditions of the contract. Breach of Contract includes but not limited to the following;

15.1: It is found that the schedule of implementation of the work is not being adhered to,

15.2: The Bidder stops works and such stoppage has not been authorized by the Commissioner, Department of Information and Public Relations.

15.3: The Commissioner, Department of Information and Public Relations gives notice to correct a particular defect / irregularity and the Bidder fails to correct such defects / irregularity within a reasonable period of time determined by the Commissioner, Department of Information and Public Relations. If the contract is terminated by the Commissioner, Department of Information and Public Relations unilaterally, the Commissioner, Department of Information and Public Relations will settle all claims through a mutually agreeable settlement.

ARTICLE – 16:- TRANSFER (SUBLET) OF RIGHTS

16.1: Each bidder shall submit only one bid. Multiple submissions by the same legal entity (including through affiliates, sister concerns, or subsidiaries) will result in rejection of all such bids.

16.2: The successful bidder shall not assign, transfer, sub-license, or sub-contract any portion of the work without prior written consent/ permission of the Commissioner, Department of Information and Public relation. Where permitted, the prime bidder remains fully responsible for performance.

ARTICLE – 17:- ARBITRATION

17.1: All questions, disputes or differences whatsoever which may at any time, arises between the parties i.e., The Commissioner, Department of Information & Public Relations, and Bidder in connection with contract, the same should be referred to the arbitrator appointed by The Commissioner, Information Department & Public Relations, Karnataka.

17.2: **Governing Law and Dispute Resolution**: The contract shall be governed by the laws of India and the State of Karnataka. Disputes shall be resolved through mutual consultation, and if unresolved, through arbitration or adjudication as specified in the contract and subject to applicable laws.

(M.N. Anucheth. **IPS**)

Annexures

Annexure-I: Technical Proposal Format

Provide a detailed technical proposal including:

- Company profile, legal status, year of establishment, office locations, and contact details.
- Detailed description of proposed solution architecture, technology stack, data model, APIs, and integration approach.
- Detailed module-wise functional specifications and mapping to RFP requirements.
- Prototype screenshots or demo link and explanation of prototype features.
- Project implementation plan, resource allocation, and timelines.
- Testing strategy and quality assurance plan.
- Security controls, data protection measures, and compliance approach.
- Training plan and documentation to be delivered.
- Team composition and CVs of proposed key personnel with roles and responsibilities.

Annexure-II: Commercial Proposal Format

Provide a detailed commercial bid including itemized costs. The commercial proposal should clearly state:

- One-time development cost (breakdown by module).
- Cost for prototype and requirement finalization.
- Recurring costs (hosting, licensing, support) on an annual basis if applicable.
- Cost for training, documentation, and knowledge transfer.
- Any optional costs (third-party licenses, integrations) clearly identified.
- Taxes, duties, and statutory payments as applicable (separated).

Annexure-III: Self Declaration – No Blacklisting

I/We, [Name of Authorized Signatory], on behalf of [Name of Organization], having registered office at [Full Address], hereby declare that the firm has not been blacklisted or debarred by any Central or State Government Department or State PSU. I/We further declare that the information provided in this bid is true and correct to the best of my/our knowledge.

Signature : _____

Name : _____

Designation : _____
